

Meet Interactive Academy's New First and Second Grade Team!

My name is Lauren King, and I am thrilled to be teaching first grade at Interactive this year! This will be my ninth year in education. My experience includes teaching second, fourth and sixth grades. I have also served as an ESOL teacher and a Reading Coach for second and third grades in Atlanta, GA. For the past few years, while staying at home with my children, I have written curriculum and alignment documents for Scholastic.

My husband and I moved to Zionsville three years ago with our three children, Audrey, Kathryn and Andrew. We love being active in our community and exploring new places together. In my free time, I enjoy playing with our kids, reading biographies, and traveling.

I can't wait to meet your children in first grade!

My name is Donna Hoftiezer and I am excited to be your child's second grade teacher. I graduated from Ball State with a degree in elementary education along with a kindergarten endorsement. I have taught kindergarten and second grade in Hobart, Indiana.

I was a stay at home mom for several years, raising our children. As they have grown, I returned to work as a preschool teacher at Eagle Pre-School and an Instructional Assistant for Zionsville Schools. This past year I was the Bees Pre-K teacher at Interactive Academy.

My husband and I have three children. Taylor is a junior at Purdue University focusing on Family and Consumer Sciences. My son, Trevor is a senior at Zionsville High School with a passion for cross-country. My youngest, Makenna is sophomore this year. She is a dance team member and sings in the Zionsville Show choir. My husband is a dentist and owns The Extra Smile.

I love to read, garden, and volunteer with Boone County 4-H.
